

Lulworth House Residential Care Home ladies enjoy coffee, cake and cats

Activities Co-ordinator Krissi accompanied two of our ladies from Lulworth House Residential Care Home to the Cat Cafe last week in Tonbridge Wells.

Our ladies enjoyed the bus journey from Maidstone and looked very happy being surrounded by lots of feline friends while relaxing with a coffee and slice of cake.

The cats were so inquisitive and friendly, and there were so many to make a fuss of – ginger, black and white and tabby.
Puuurfection!
