

## Lulworth House Residential Care Home ladies enjoy Mothers Day cream tea

On Sunday 22 March we served a scrumptious cream tea in the afternoon for all our lovely mums, with our table all set with flowers and treats.

They enjoyed **scones and cream** followed by tea, coffee and glasses of bubbly. We also made sure they were spoilt with lots of **chocolates and sweets** which were kindly donated by our local TK Maxx store.

Each of our ladies got a **special message from family members and staff** to make the day really memorable.

*Thanks to our everyone who helped make the day so wonderful, including TK Maxx for their generous gifts.*
