

Lulworth House Residential Care Home ladies take a trip to Buzz Bingo

On Monday 8 April, three of our ladies from Lulworth House Residential Care Home took a trip out to Buzz Bingo in Maidstone - a very modern and colourful bingo facility.

They played a few games, but weren't lucky this time around. This didn't dampen their spirits though, as they were really enjoying each other's company.

The ladies enjoyed coffees and a delicious fish and chip lunch, which went down a treat!

We all loved the fun day out and spending time together. *We look forward to going back again soon.*
