

Lulworth House Residential Care Home ladies visit Invicta School

On Friday 7 December, two of our ladies from Lulworth House Residential Care Home visited Invicta School, together with residents from Lukestone Care Home.

They had a lovely morning with tea, coffee and mince pies to enjoy.

The school had arranged a wonderful musical performance, with singers accompanied by a guitar and keyboard.

There was also a Christmas quiz and bingo game on offer – and our ladies won! Such a lucky day for **Lulworth House** ladies!

On our return home, we got to join in the fun of 'Elf Day' which residents had been celebrating at **Lulworth House**. We had another quiz to join in with, as well as a sing-a-long and of course, a bit of dancing with our resident Elf!
