

Lulworth House Residential Care Home ladies visit Maidstone Market

On Wednesday 26 February two of our ladies (*Anne and Peggy*) here at Lulworth House Residential Care Home, went to Maidstone Market. We took time to look around at the beautiful plants and flowers.

After browsing round for a while, we went for a yummy pub lunch where our ladies enjoyed fish and chips and a drink! We also made the most of the sunny, warm weather and took a nice walk by the river after lunch.
