

## Lulworth House Residential Care Home residents celebrate Oktoberfest

### Oktoberfest came to Lulworth House Residential Care Home on Saturday 7 October!

We had a busy day celebrating everything 'Oktoberfest' with a **German themed day**. We started off with some **armchair travel** to Munich, alongside some cycling and it really felt like we were travelling through the cobbled streets.

Next, we created some **pretzel spiderwebs with chocolate and sprinkles** – our residents gave the chocolate a good taste test beforehand, just to check it was safe to eat!

In the afternoon we hosted a **pub quiz** for our ladies and gents, and of course we had to have some **steins** to really get in the Oktoberfest spirit!

We finished the day with a **photoshoot and singalong** to round the festivities off in the right way! *Good times!*
