

Lulworth House Residential Care Home residents celebrate Picasso

On Thursday 28 October we talked with our residents at Lulworth House Residential Care Home about the artist Pablo Picasso, in memory of his 140th birthday.

Our residents looked and commented on some of his most **famous art pieces** and in talking about his art periods (blue period, rose period), they commented on their own emotions. We enjoyed reading about his life and held a **quiz** about him.

We then tried to emulate some of his line drawing and also had a go at **drawing faces inside different geometrical shapes**. Our ladies had fun with their paints!
