

Lulworth House Residential Care Home residents celebrate World Peace Day

We celebrated World Peace Day on Wednesday 17 November with our residents at Lulworth House Residential Care Home.

Everyone wore **flowery and colourful rainbow accessories** and together we read about the origins of the day and discussed ways we can **promote peace** in our everyday lives, with simple acts of kindness.

Some of our residents shared **memories** linked to the wars, with the recent **Remembrance Sunday**, and talked about the importance of living a life without war and conflict.
