

Lulworth House Residential Care Home residents enjoy a bowling outing

Bowling alley

Last week, a group of our ladies from Lulworth House Residential Care Home had a fun morning trip to the bowling alley.

Marvellous Mai, Joyful Jackie, Spectacular Sue and Jazzy Janet had a blast! It was great to see them having so much fun together.

Nursery invitation

Some of our residents took a walk last week to our **local nursery school** to deliver a **special invitation**. We are really looking forward to **re-starting our intergenerational sessions** (with some Easter themed treats for all!) as our residents love to spend time with the youngsters and vice versa!

Dear Cece's Rainbow kids. We would like to invite you to a special Easter hunt (date to be confirmed). We hope you can find some chocolate eggs at the end of the rainbow! Lot of love, everyone at Lulworth xxx

Helping hands

A number of our residents are keen to help maintain things around our Home and like to offer their **help with jobs**, including washing up and laying the dining tables, which can provide a sense of purpose and accomplishment.

We are always very grateful for these helping hands!
