

Lulworth House Residential Care Home residents enjoy a busy week of activities

We had a very enjoyable busy time of social activities here at Lulworth House Residential Care Home last week.

On Thursday morning we were delighted to welcome our little friends from **Cece's Nursery**, who got stuck into a painting session with some of our residents, which was great fun!

Continuing the artistic theme, on Friday afternoon we got our creative juices flowing by making some **Chinese New Year decorations**, using red paper to craft flowers which we'll put up around our Home to celebrate.

On Saturday, some of our ladies we went out for a delicious **pub lunch** and cheeky glass of wine - cheers ladies!

Then on Sunday, some of our residents attended our local church for the **Sunday service**, which is always much appreciated.
