

Lulworth House Residential Care Home residents enjoy baking and a pop up shop

We enjoy a lot of baking and cake decorating here at Lulworth House Residential Care Home, as our ladies and gentlemen absolutely love it!

This week we had lots of fun creating a 101st birthday cake for one of our residents and also crafting some jam tarts and cheese tarts. Delicious!

Our residents have also enjoyed going out and about; Timothy went to town for hair cut and joined Rita and Margaret at a cafe for a coffee and cake stop!

On Friday we were delighted to host a **'Pop Up Clothes Shop' at Lulworth House**, which featured rails of lovely clothes for our residents to browse through. Our ladies and gentlemen had a super time buying new clothes for the autumn season. The whole event was such a success and we are looking forward to more shopping days!
