

Lulworth House Residential Care Home residents enjoy cuddles with Mia

Last week at Lulworth House Residential Care Home we had a visit from this gorgeous 3-year-old half chihuahua, half Jack Russell called Mia.

Our residents loved meeting her, especially as she was so tiny and fitted perfectly on everyone's laps! She really **loved all the attention and strokes** she received and it was great to see our residents' faces light up when they made another canine friend.

We really do enjoy our Dog Therapy here at Lulworth and look forward to welcoming Mia back soon!
