

## Lulworth House Residential Care Home residents enjoy Easter Monday treats

**On Easter Monday, we gave out Easter eggs and chocolate bunnies to our Lulworth House Residential Care Home residents.**

Everyone received a treat bag filled with mini eggs and treats on Easter Sunday – *needless to say our residents were delighted to receive even more chocolate!*

We had fun with some **Easter egg smashing** when we broke up some eggs to use for baking and cooking. Everyone had a great time really going for it, whacking into the eggs with a spoon!

Some of our staff dressed up for the occasion. *What a sweet pair of bunnies!*
