

Lulworth House Residential Care Home residents enjoy Maidstone Community Mela

On Sunday 14 July, two of our ladies from Lulworth House Residential Care Home went out to experience a local music and food festival taking place in Whatman Millenium River Park, close to our Home.

The **Maidstone Community Mela** was a celebration of music, visual arts, food and dance from around the world.

Our ladies enjoyed a spot of dancing and then had some lunch together. They had a great time listening to music and looking at all the stalls. They admired the colourful arts, crafts and dancers, including a rather impressive Chinese Dragon!
