

Lulworth House Residential Care Home residents enjoy their garden

On Tuesday 17 May our residents at Lulworth House Residential Care Home decided to get out in the sunshine for a day in the garden.

It was such a well-deserved breath of fresh air and everyone felt like making the most of the good weather (as we never know when the rain will be back!).

Some of our residents got stuck into some **gardening**, whilst others joined in with a **pampering** session with lovely Nina from our Well-Being Team.

It was lovely to see everyone **relaxing** and enjoying themselves and a range of activities, from **games** to **eating ice-lollies**! It was also the perfect opportunity for residents to enjoy **lunch outside** in the shade.

Roll on the summer!

Enjoying activities and lunch in the garden
