

## Lulworth House Residential Care Home residents enjoy trip to Hollywood Bowl

Last week at Lulworth House Residential Care Home our residents enjoyed an amazing day out at the Hollywood Bowl in Maidstone.

Our ladies team formed by **Anne, Sheila, Maureen, Marion** and **Jean** loved the competition and a warm cup of tea half way through the game. It was **fantastic fun** and we loved watching and encouraging each other.

Back at **Lulworth**, some of our residents took part in another sports match – a **table tennis tournament!**

Our lounge was filled with spectators and our residents played in turns, cheering each other on. *Great fun and some great skills too!*
