

Lulworth House Residential Care Home residents love Bubble and Squeak

Our resident Guinea pigs Bubble and Squeak are a real favourite with our ladies and gents here at Lulworth House Residential Care Home.

The pair are very friendly souls and we always look forward to seeing them.

One of our ladies really enjoyed spending time with them this week, petting and stroking them both whilst their cage was being cleaned.

She had a big smile on her face and loved their company – and they loved all the attention!
