

Lulworth House Residential Care Home residents make Halloween cakes and toppers

Last week, Baking Club at Lulworth House Residential Care Home was all about cake designing and cake toppers, followed by cupcake making and decorating!

Our residents were great at shaping little **icing pumpkins** and creating and decorating their delicious array of **spooky cupcakes**.

The cupcakes looked brilliant in their **Halloween** colours and we were really pleased with our magnificent pumpkin and ghosts layered cake.

It was great fun making them all – and of course eating them too!!
