

## Lulworth House Residential Care Home residents singalong with Archie

**On Wednesday 5 July our Lulworth House Residential Care Home residents welcomed Archie Holden for a sing-along session.**

It was a lovely afternoon filled with plenty of **dancing, singing and laughter** and our residents had smiles on their faces for the whole afternoon.

Archie sang a mix of **50s, 60s and 70s music** which was fantastic. We love having Archie at our Home and look forward to him returning next month!
