

Lulworth House Residential Care Home residents take a shopping trip

Lulworth House Residential Care Home residents take a shopping trip

At Lulworth House Residential Care Home we really enjoy taking our residents out into our local town.

We went into town on Friday 4 May and last week on Thursday 17 May for a browse around the shops and, of course, a coffee and cake stop!

Our ladies thoroughly enjoyed being out in the shops, getting ready for our *Royal Wedding tea party* with family and friends on Saturday.

We have more exciting shopping trips planned in the near future.
