

Lulworth House Residential Care Home residents welcome Ralph

On Sunday 9 August we were thrilled to have a morning visit from Ralph the dog at Lulworth House Residential Care Home.

Our residents were so excited to welcome such a friendly character and enjoyed lots of cuddles with him.

Ralph showed off the talented skills he'd been taught and was such a good boy as he spent time in our **Home**.

He brought lots of smiles and laughter to us all. We hope he comes back again soon!
