

## Lulworth House Residential Care Home thank Dunelm for Christmas gifts

The amazing team from Dunelm delivered very generous donations of Christmas gifts for the residents at Lulworth House Residential Care Home on Tuesday 20 December; there were so many we didn't know where to store them! They completely filled the foyer.

The beautifully wrapped and gift-bagged gifts arrived in three cars. There were amazingly soft nightclothes, toys, blankets and fleeces as well as mince pies, biscuits and toiletries – each one named with a different resident within our **Home**.

All the gifts were donated by customers of the local store. Our residents of **Lulworth House** are definitely going to wake up to a raft of gorgeous surprise gifts on Christmas morning!

*Thank you so much to everyone who donated a gift, and thank you to Dunelm!*
