

Magic Mike visits Lulworth House Residential Care Home

Talented magician 'Magic Mike' came to entertain us at Lulworth House Residential Care Home on Wednesday 4 January, seeing in the New Year with some classic magic tricks and cheesy jokes!

Mike got a lot of our **residents involved with his magic tricks** and everyone really enjoyed watching something different. He even made up some **balloon animals** for our residents to keep, which they loved.

He had a real **dwarf rabbit** as part of his act which he let everyone cuddle after the show, which made our day!

Thank you Mike – we look forward to welcoming you back again soon!
