

Making cake pops at Lulworth House Residential Care Home

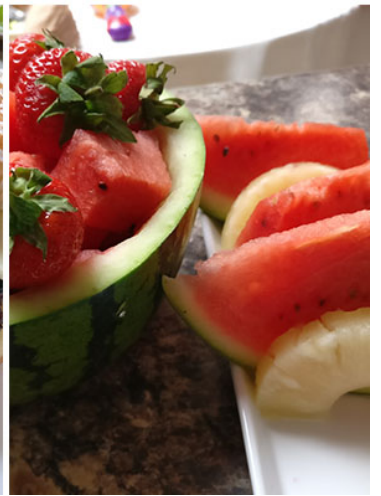

We've enjoyed a cake-filled week at Lulworth House Residential Care Home!

Our residents had a **birthday cake to decorate** and also came together to make some **delicious cake pops** with Nourishment and Social Wellness Coordinator Katja.

These were vanilla flavour with dark and white chocolate on them; *Marie really loved licking the white chocolate off the spoon!*

We also had our **Caribbean/BBQ Day** which was great fun in the sun! Our residents enjoyed our drinks trolley, yummy BBQ food and some tasty tropical fruit.

Tropical BBQ fun in our garden
