

Making muffins and more at Lulworth House Residential Care Home

It's been a busy time at the Lulworth House Residential Care Home baking club!

We have enjoyed creating a wonderful array of **delicious treats** over the past few weeks with Katja our Nourishment and Social Wellness Coordinator. These have included;

Muffins

Homemade sausage rolls

Chocolate cheesecakes which were enjoyed for a lunchtime dessert

Chocolate cornflake slices with sultanas, cherries, marshmallows and dark chocolate

Cinnamon swirls, including icing the swirls

The cinnamon swirls were a sure favourite – with a few of our ladies enjoying eating them while the icing was still super sticky! *And why not! Yum!*

Our ladies love baking club!
