

Making sweet treats at Lulworth House Residential Care Home

Our residents were busy 'baking and making' some delicious treats together last week here at Lulworth House Residential Care Home.

On Monday we made some **strawberry and apple ice lollies** using fruit jellies and lolly moulds, which was good fun.

Our ladies then made some fantastic **jam tarts** on Tuesday, followed by a batch of **cupcakes** on Wednesday, which they iced and decorated on Thursday – move over *British Bake Off*!

Well done to all our ladies for their tasty treats, we all enjoyed sampling them!
