

Music and dancing in the garden at Lulworth House Residential Care Home

Our Lulworth House Residential Care Home residents have been busy spending time in our garden recently.

We are very lucky to have our **volunteer Archie**, who every week entertains us with his **musical mix tapes**.

Our ladies and gents joined in with **singalong and conga dancing**!

Everyone enjoyed refreshments in the garden and taking in the fresh air and sunshine.

We had a great time in our garden!
