

## Music, baking and a pub afternoon at Lulworth House Residential Care Home

Last week we were delighted to be visited by a couple of volunteers who sang a medley folk songs for us, which our residents really enjoyed here at Lulworth House Residential Care Home.

Continuing the music theme, we also held a **karaoke morning** during the week, as our ladies and gents love to sing!

Our ladies have been busy at their **baking and cooking club** - fruit skewers and pineapple tarts were on the menu this time around - delicious!

On Saturday 17 August our residents enjoyed socialising at our '**pub afternoon**', which included a pub quiz and singing, which went down a treat with everyone!
