

## Pampering and smiles at Lulworth House Residential Care Home

**This week we have been treating our ladies and gents to some luxurious pampering sessions here at Lulworth House Residential Care Home, including manicures, lots of painted nails and bubbly foot spas.**

Two of our lovely ladies have a **milestone birthday** this week – Olive and Mary who are both turning 90. They are very much looking forward to celebrating with their friends.

We are looking forward to starting up our '*Baking and Making Club*' with our lovely Nourishment and Social Wellness Coordinator **Katja**, who has lots of **sweet treats planned** for us to make and sample. *We can't wait!*

*It's so wonderful to see our Home full of smiles and laughter again, as we keep our spirits up through the pandemic.*
