

## Party prep and birthday cake at Lulworth House Residential Care Home

We've been busy this week at Lulworth House Residential Care Home, preparing for our upcoming carnival party.

Our ladies enjoyed decorating their **carnival masks** with glitter, feathers and colourful ribbons.

We enjoyed celebrating **Rosemary's birthday** recently too. She loved receiving her special sponge birthday cake, covered in candles.  
*Many happy returns Rosemary!*

We were delighted to receive our bright **new lounge furniture** recently and our ladies enjoyed trying it out as soon as it was put in place!

And some of our residents have been **lending a helping hand** around our **Home** over the last week, doing household tasks including washing up. *Thank you to all those who've enjoyed helping out!*
