

Pastimes in the garden at Lulworth House Residential Care Home

We've been enjoying the recent spell of sunshine here at Lulworth House Residential Care Home by getting out into our garden to play games, listen to music and enjoy a spot of flower arranging.

As you can see, **Val loved arranging her flowers** and said her favourite was the huge sunflower! We put her flower centrepiece by our front door for everyone to admire as they walk in.

We also played a **game of dominoes** and our residents worked in teams to learn how to play.

It's been so lovely to enjoy these different pastimes outside together.
