

Philip turns 100 at Lulworth House Care Home

We enjoyed celebrating our lovely Philip's 100th birthday on Tuesday 7 September at Lulworth House Care Home.

He received lots of **cards, birthday balloons and champagne**, and was delighted to be sent a **special telegram from Her Majesty The Queen** which he proudly showed to our other residents at **Lulworth House**.

Philip celebrated in style with a **delicious pub lunch with his family at the Hop Farm**.

And this is not the end of his celebrations, as his son Christopher and daughter-in-law Jackie have arranged to treat everybody at **Lulworth House** to an afternoon with **Punch and Judy**. *That's the way to do it!*

Everyone can't wait for more celebrationsand another slice of birthday cake!

Many happy returns of the day Philip from everyone at Lulworth xxx
