# Philip turns 99 at Lulworth House Residential Care Home

Philip celebrate his 99th birthday with us last week at Lulworth House Residential Care Home.

He was surprised by a lovely **family visit** and his magnificent biscuit covered **birthday cake**; he blew out his candles with gusto!

He loved opening his cards and gift box full of goodies from his family, and thoroughly enjoyed a seaside trip out to **Herne Bay** for a little walk and fish and chips for lunch – *perfect!*
