

## Pondering popcorn at Lulworth House Residential Care Home

**Our residents had fun tasting and rating popcorn over the weekend here at Lulworth House Residential Care Home – a great way to stimulate the senses!**

All the different flavours of popcorn were labelled, but not revealed until our residents had had a guess at what they were.

***We had a selection of:***

*Toffee*  
*Chocolate*  
*Salt and vinegar*  
*Maple bacon*  
*Sweet chilli*

Once the flavours were revealed, we asked everyone to share their most and least favourite flavours.

***Toffee and chocolate came in joint first place, whilst sadly sweet chilli ranked at the bottom!***
