

## Pumpkin picking and Halloween party fun at Lulworth House Residential Care Home

A group of our Lulworth House Residential Care Home residents enjoyed pumpkin picking recently at [Spadework](#) in West Malling.

Our ladies spent a lovely morning in the field **picking pumpkins** and learning a lot about the names of the different varieties. Marie pushed the wheelbarrow along the little maze and until the end of the field.

They then enjoyed a **lovely cup of tea** sitting under the canopy, catching the lovely **autumn sunshine** surrounded by colourful flowers that our ladies stopped to admire.

On their return, our residents had fun **carving their pumpkins** in time for our **Halloween party with talented singer Liam Joseph**.

All our residents and families had a great time singing, dancing and wearing scary costumes. *Spooktastic fun!*
