

Punch and Judy birthday fun at Lulworth House Residential Care Home

At Lulworth House Residential Care Home we were lucky to get an extra special visit from Punch and Judy on Thursday 7 September to mark our lovely resident's 102nd birthday and the end of the summer.

The sun was shining so we threw a **seaside party** to mark the occasion which of course included a birthday cake; *we couldn't quite fit 102 candles on it though!*

Everyone loved **reminiscing about their trips to the seaside** and said that the jokes were just as silly as they remembered. *Good times!*
