

Puzzles and pub fun and Lulworth House Residential Care Home

On Saturday 15 March we got our jigsaws out for a shared puzzle session, which is always popular here at Lulworth House Residential Care Home.

The day then continued into a lovely **pub afternoon**, with our ladies enjoying a few drinks and snacks, together with some chatting and singing – a super way to relax and socialise.

On Sunday we shared a **live church service from one of our tablets** and then enjoyed preparing some decorations for Mother's Day in the afternoon.

We are very proud of our beautiful **heart collage** display which features photos of all our lovely ladies – it looks fantastic and will take pride of place in our **Home** next weekend.
