

Residents enjoy a Cockney Party at Lulworth House Residential Care Home

On Tuesday 7 July we hosted our Cockney Party at Lulworth House Residential Care Home, complete with our very own fruit and veg market stall, which we'd made for decoration!

Our residents thoroughly enjoyed **singing**, **dancing** and enjoying **drinks** and a decorated **Victorian sponge** that we had made in the morning.

We also spending quality time with our **Guinea pigs**, who always love our care and attention as they sit on our laps for cuddles and snacks.

On Friday we played **colourful soft darts**, which is a great game for testing hand-eye co-ordination, *and a good giggle too!*
