

Rock n Roll at Lulworth House Residential Care Home

Elvis is in the House!

On Wednesday 23 May, we held an Elvis party at Lulworth House Residential Care Home, in support of the Alzheimer's Society.

Our very own Elvis singer arrived in his white jumpsuit and delighted our ladies and gents with a medley of his famous songs. Many of our residents and friends got up to dance together and there was a brilliant atmosphere in our lounge.

As part of the fun we ran a raffle and a 'Guess how many sweets are in the jar' competition. We were very pleased to raise **£120** for such a worthy cause.
