

St Georges Day tea party at Lulworth House Residential Care Home

We enjoyed a lovely English themed tea trolley with 'best of British' cakes for our residents here at Lulworth House Residential Care Home on Sunday 23 April, in celebration of St George's Day.

The **English bunting** and **balloons** were proudly displayed as everyone enjoyed the **nostalgic selection of English treats**, including Victoria sponge cake, Battenberg cakes and fruit scones – *we think St George would have approved!*
