# Supporting Ukraine at Lulworth House Residential Care Home

These past weeks have been tense for everyone, listening to the news of events happening in Ukraine and our residents at Lulworth House Residential Care Home have been reminiscing about the war they lived through, with the rations, bombings and having to take shelter.

Our residents have shown a very **compassionate attitude** and we have been sending thoughts and love to all the affected people.

We have been decorating and **displaying Ukrainian flags and sunflowers** around our **Home**, alongside the **flag of Peace and a Russian one too**, as a symbol of responsibility as it takes everyone's actions to stop and prevent wars from happening.

Hoping for peace in Ukraine
