

Sweet treats and cheese and wine at Lulworth House Residential Care Home

Baking Club

We saw a lot of delicious eats last week at Lulworth House Residential Care Home!

Audrey's birthday cake was a vision of strawberries, cream and chocolate and we also made our **Easter Party cake** – decorated with chocolate eggs.

We celebrated **Banana Day** (from the USA) on Wednesday 20 April, when our residents mashed bananas and blended them with chocolate ice cream, Oreos and banana milk to create delicious **banana and chocolate biscuit milkshakes!**

These were enjoyed as a choice on our morning tea trolley. *Delicious!*

Cheese and wine

After all the sweet treats, our ladies and gents really enjoyed a **cheese and wine (or apple juice) afternoon** last week.

We had a lovely selection of cheeses and crackers, **beautifully displayed on boards on our trolley**, and our staff went around our

lounges and offered everyone something.

This delicious way to spend an afternoon went down very well with everyone – *cheers!*
