

Virtual cruise returns to England at Lulworth House Residential Care Home

Our wonderful Around the World with Nellsar Cruises has come to an end and we all returned back to our beloved home England last week here at Lulworth House Residential Care Home.

To celebrate this special occasion the whole of our **Home** joined in for **traditional English 'chip shop' fish and chips** and enjoyed an amazing **sing-a-long from DJ Archie**.

Our residents joined in with **singing, dancing** and **cruise photo reminiscing**.

As one of our residents Bettina said: *'I can't believe we have been to all of these amazing places!'*

What an adventure we've all had!
