

Walls ice cream winners at Lulworth House Residential Care Home

As part of a Walls ice cream 100 year celebration, Katja at Lulworth House Residential Care Home entered a competition to win free ice cream in August.

The giveaway involved 100 **Care Homes** receiving £100 worth of ice cream for their residents.

Katja (Nourishment and Social Wellness Coordinator) said:

"Flash forward to November and we received an email announcing Lulworth House as a winner! At the beginning of December we received two massive boxes of ice cream including Twisters, Rockets, Mini Milks and Chocolatey Cornettos. Our residents and staff now have a freezer draw full of lollies to enjoy whenever they want!"

It will take us a while to get through this lot!
