

## **Welcoming a new resident at Lulworth House Residential Care Home**

**Last week we welcomed our new resident to Lulworth House Residential Care Home and took her out to enjoy a social drink in the light and spacious conservatory at our local Pippin Pub.**

She relaxed, smiled and felt special - opening up about her loves, life and interests.

Later, we included her as a 'Beautiful Fun New Assistant', which she found very uplifting as it gave her a purposeful role within our Recreation & Well-Being Team. This was a super person-centered exercise and she loved her job as an Recreation & Well-Being Champion!

We welcome her warmly to **Lulworth House**.
