

Wimbledon inspired balloon tennis at Lulworth House Residential Care Home

In celebration of this month's Wimbledon, here at Lulworth House Residential Care Home we decided to have some fun playing balloon tennis with our residents.

Our ladies and gents enjoyed playing with the colourful balloons and we discovered some true talents too.

Everyone joined in, even without a racquet, and Tim improvised using his cane!

It was such a lovely afternoon filled with laughter and grunts – like true tennis players!
