

## Wimbledon party prep and birthday celebrations at Lulworth House Residential Care Home

Our ladies and gents enjoy being busy here at Lulworth House Residential Care Home and they've been hard at work this week making decorations for our Wimbledon-themed 100th birthday party on Saturday 16 May for one of our residents.

They've been **painting** tennis ball, racket and tennis player pictures and we've put up tennis racket balloons in readiness for this special event at the weekend.

Our ladies have also been **baking together** and this week made a fantastic camper van cake for resident **John's birthday on Wednesday 13 May**. *Amazing work ladies!*

John loved receiving his cake and we all had fun celebrating with a little **party**, enjoying slices of his camper van with some cheeky glasses of wine!

***Many happy returns John!***
